FOREWORD BY THE PRESIDENT

Last year in my Foreword I was happy to announce the turf cutting ceremony. Well, this year I am even happier to announce that the Pool is open and at the time of writing, although the exact date has yet to be fixed, I am assured that everything is on target. When I use the word "open" it is meant in the swimming terminology, not in the official sense, for I am informed on good authority that an official opening ceremony is to be held later on in the year. However, as with all officialdom, who is to perform this is open to conjecture, although I would like to see a well known personality, perhaps even a "Royal", honour, this occasion. Only time will tell who and when.

Carnival time has always meant a great deal of merry making in the Town, and this year will be no exception. It is during this week that a considerable amount of money will be collected and I am sure a lot of people will be asking and saying, "but I thought the pool has been paid for". Well it has, by that I mean NEWSPA has met its obligation in full to the borough in promising £30,000 towards the costs, but now our hard working committee has further thoughts, and I can assure everyone that all monies received, be it from advertising, donations, street collections, admission to the different events, in fact any form of money raising, will be used for further recreational facilities. No more can be said at the moment but on hearing the inner thoughts of some members I agree that their ideas are both practical and feasible.

Within a few months a swimming club will be formed, and no doubt a squash club also, and a ladder and teams will be inaugurated. One of the attractions in joining these facilities is the honour of winning a club competition, and further by participating in inter-club, divisional and county competitions, but to make a start, once the club has been formed and competitions started, it would be admirable to have some cups or trophies for which to compete. Of course, I am only making a suggestion, but no offers will be refused!

I hope you have a good day at the Carnival, together with all the other programmed events during Carnival Week, and, remember, please give generously to the Official Collectors.

Trevor Matlow

Carnival Chairman's Message

Into the 80's with NEWSPA

At the start of a new decade it is our intention to give you a Carnival to remember.

Although we have this year sadly lost our 7-a-side Football Competition we are introducing three new events – a Fashion Show, a Waiters race and we are fortunate to enjoy the support of the High Peak Youth Wind Orchestra, under the direction of John Martin for a Civic Concert on the Sunday evening after Carnival Day.

On the field this year we have Leone and Tarnyia, aerial acrobats. And by courtesy of the Derbyshire Building Society, a hot air balloon ascent, together with all the usual attractions.

Let all sections of the community join together again in the 80's as we did in the 70's, producing not only a happy time, but by giving generously one which will create lasting benefits in the Town.

Brian Austin.

Message from the Reigning Carnival Queen

Ladies and Gentlemen, boys and girls,

It has been a very eventful year for me, I have enjoyed every minute and met a lot of very interesting people.

Although the weather has not been too kind at a lot of the Carnivals, it has not stopped us having a laugh.

I would like to thank all those people involved in the Carnival organisation for all their help.

I hope that this year's Carnival

is as successful as last year's and that you will support it with your usual vigour, as you have done in the past.

The swimming pool is nearing completion now, and I hope you will enjoy the facility, for it is only through your support that it has become a reality.

Finally, I would like to wish Elaine all the best in her year as Carnival Queen for 1980, and hope that she will enjoy it as much as I have.

Alison.
